Date: Thursday March 3<sup>rd</sup>, 2022

Dear valued customer:

The CPI team is pleased to announce that, effective March 1st, 2022, CPI has been acquired by Trescal.

The acquisition will allow us to better serve your needs. Trescal, the international specialist in calibration, provides a single service solution for precision calibration expertise in every industry, geography and instrument across the world. It has more than 160 laboratories in 26 countries, including 25 throughout North America. Together, Trescal and Cincinnati Precision Instruments will continue to provide ISO/IEC 17025 Accredited Scope ANSI/NCSL Z540-1-1994 & ANSI/NCSL Z540.3-2006 services in addition to asset management, training, consulting, instrument repair, survey equipment sales and repairs, and national contract services.

We will continue to focus on quality, continuous improvements, employees and equipment investment, and our commitment to customer service. Our customers will benefit from the breadth of scope of a global organization and the personal attention from our local service philosophy and management structure!

In terms of your day-to-day dealings with CPI, you will not experience any disruption or change. It will be business as usual. All staff, contacts and phone numbers remain the same. All matters in respect of accounting, including payments, will continue in the same manner and place as they are at present.

CPI is truly looking forward to being part of the Trescal team! We have enjoyed being your preferred calibration vendor for over 60 years and hope to remain so.

Should you have any questions or concerns, please feel free to contact me at (513) 518-0050 or [splymire@cp1stop.com](mailto:splymire@cp1stop.com).
